Summary Report

Mahashivratri or the auspicious day of celebrating the "Pradosh". It is the day which is celebrated all over India by people visiting the temple and drinking bhang. Also, it is the day when lord Shiv finally after all the hardships gets married to Goddess Parvati.

On this auspicious day of Teras or Mahashivratri. The Department of English organised a wholesome event of mahashivratri. To help the students realise and feel the importance of our culture.

The whole event was conducted by the students of sem-2, sem-4 and sem-6. The students were guided by professor Dr. Srushti Dodia. And the guests invited were Pro Vice Chancellor of the university Dr Deshkar and the cultural head of the University Swastik Didi.

The event started with Shiv stuti sung by Dhwanit Trivedi of sem-2 further followed by a conversational speech which meant to give an idea of what and why we celebrate this auspicious day. The speech was conducted by sem-2 and sem-4. Following it there was a poem on lord Shiv by the anchors . The main part of the whole event comes up next, which is a skit performed by the students of sem-2 and sem-4 which was managed by sem-6 students in the background. Moving on, to the next part there was Shiv Tandav Stotram sung by Dhwanit Trivedi.

Further on there was a fast rap in gujarati by the student of sem-4. This was followed by the quiz conducted by students of sem-4. It was a really fun concept for spreading and gaining knowledge

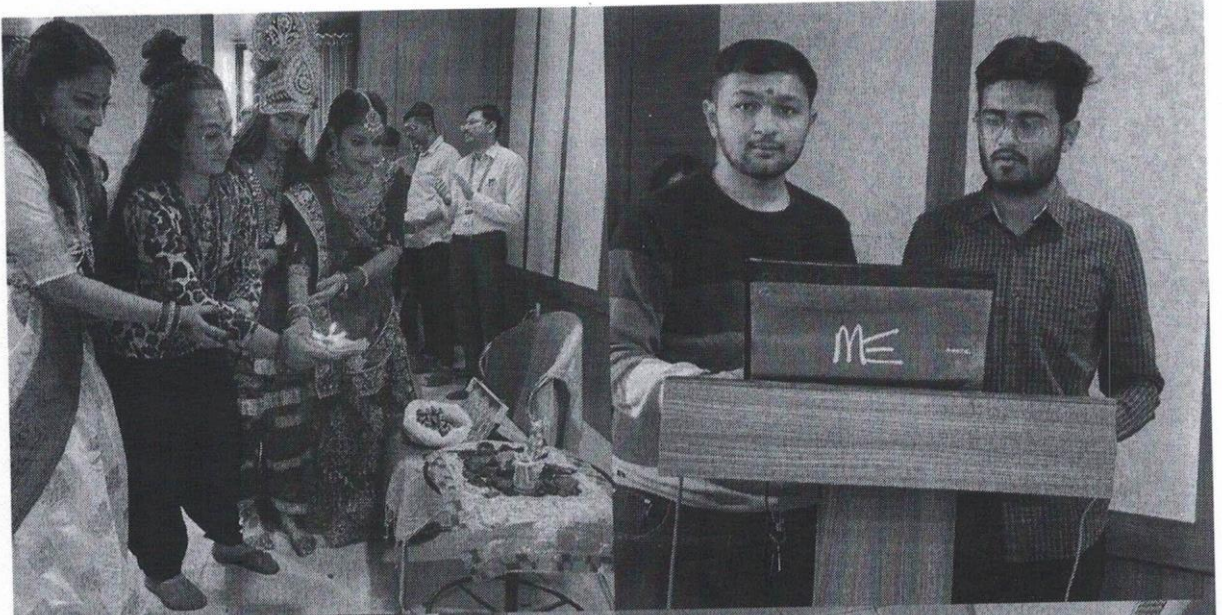

from the students and the faculty. There was also a painting done by students which was signed by the chief guests invited.

Coming to the end of the program, there were some addressing words given by the Sir and Madam, which would have motivated the students to take part in other activities. As the event comes to an end, the head of the English Department Dr. Shivangi Oza showered her blessings and addressed the students with heartwarming words. The whole event came to an end with an Aarti to thank the lord for giving all of us the courage and confidence to perform everything in just two days.

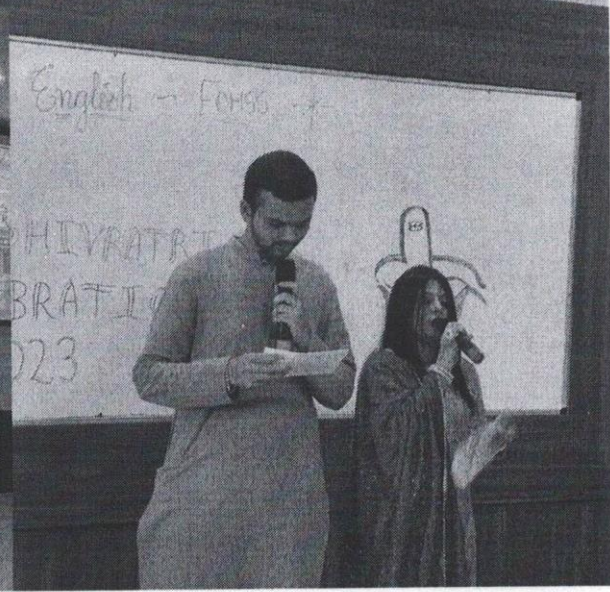

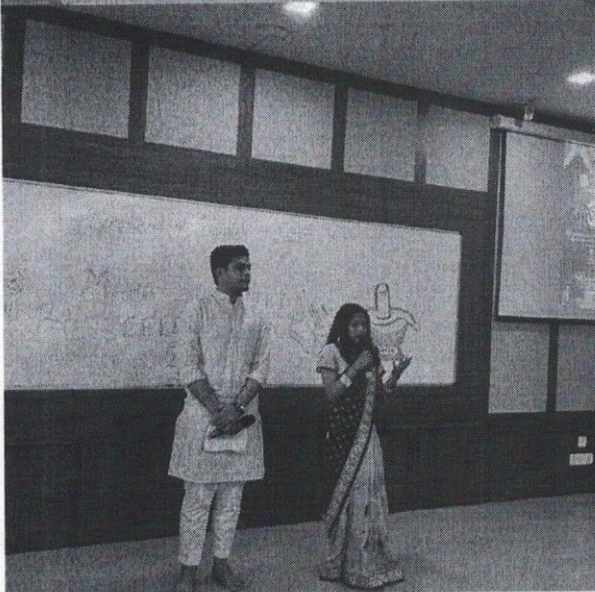

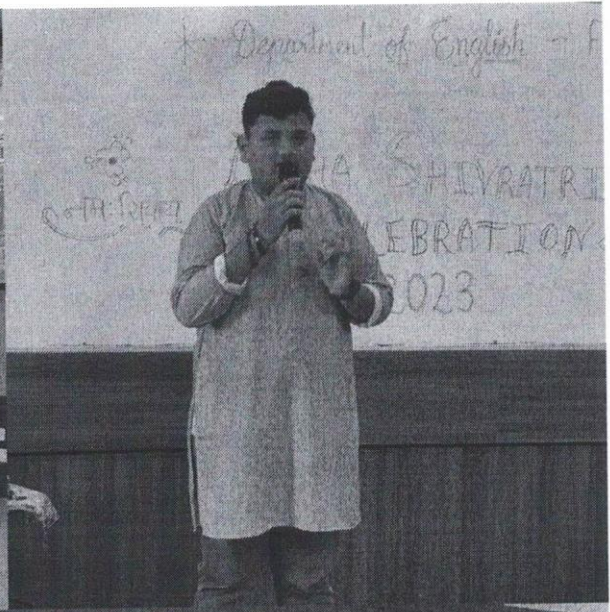

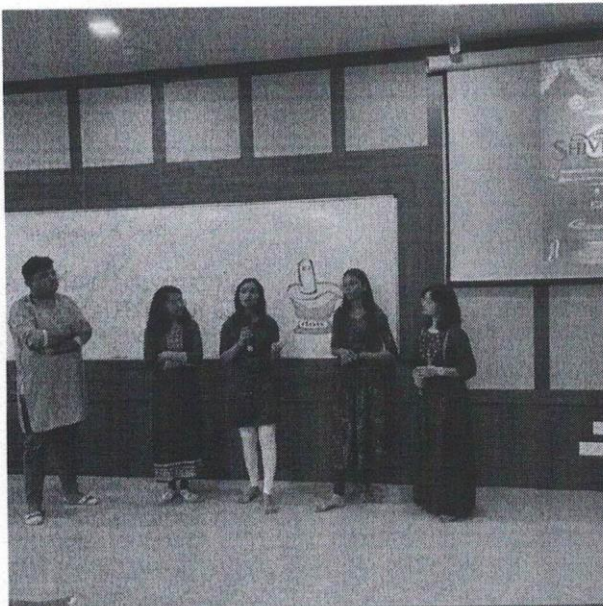

This whole event was a once-in-a-lifetime experience. It provided not only knowledge but also gave cherish able memories for all the batches. The whole event made us aware of the power of our culture and the importance of celebrating this day. And it was all possible because of the efforts done by the teachers and students together to conduct such a beautiful program like this.

CELEBRATION OF GRATITUDE DAY

(कृतज्ञता दिवस)

19th January, 2023

On this day let us all show our gratitude towards,
Parents, Family, Teachers, Society, Country, Mother Earth, Culture and Heritage &
so many known and unknown people who contributed directly or indirectly in our life.

Today I am
grateful for

Gratitude turns what we have into enough. Its not about counting one's blessings and being thankful about them but finding something good in every hour of life. It is this power of gratitude that is the secret of every successful person.

As the auspicious day of Vasant Panchami approaches, The Department of English, conducted an orientation with the aim to help the students realize and imbibe the feeling of Gratitude in their lives, especially towards their teachers.

The orientation was conducted by the students from Sem-2, Sem-4, and Sem-6. The students were guided by Head of the Department, Dr. Shivangi Oza Mam and Dr Srushti Dodia Mam.

The orientation started with several fun games conducted by the students from Sem-6. The aim of these games was to make the students realize how others play an important role in their life and in their successes. These games encouraged the students to value and accredit those who supported them every day.

Further on students from Sem-2 showed the students video clips that were contradicting in nature. The contrast in the two clips delivered a vital message. While one clip depicted the struggle of a handicap daughter to win a race and the role of other competitors in her win; the other clip told the tale of a rude son and hardworking mother and how years later the son finds himself in the shows of his own mother. These clips clearly showed the audience how being grateful amplifies the happiness in your life. The clips also helped the students realize how ungratefulness held great power of hurting the ones you love the most.

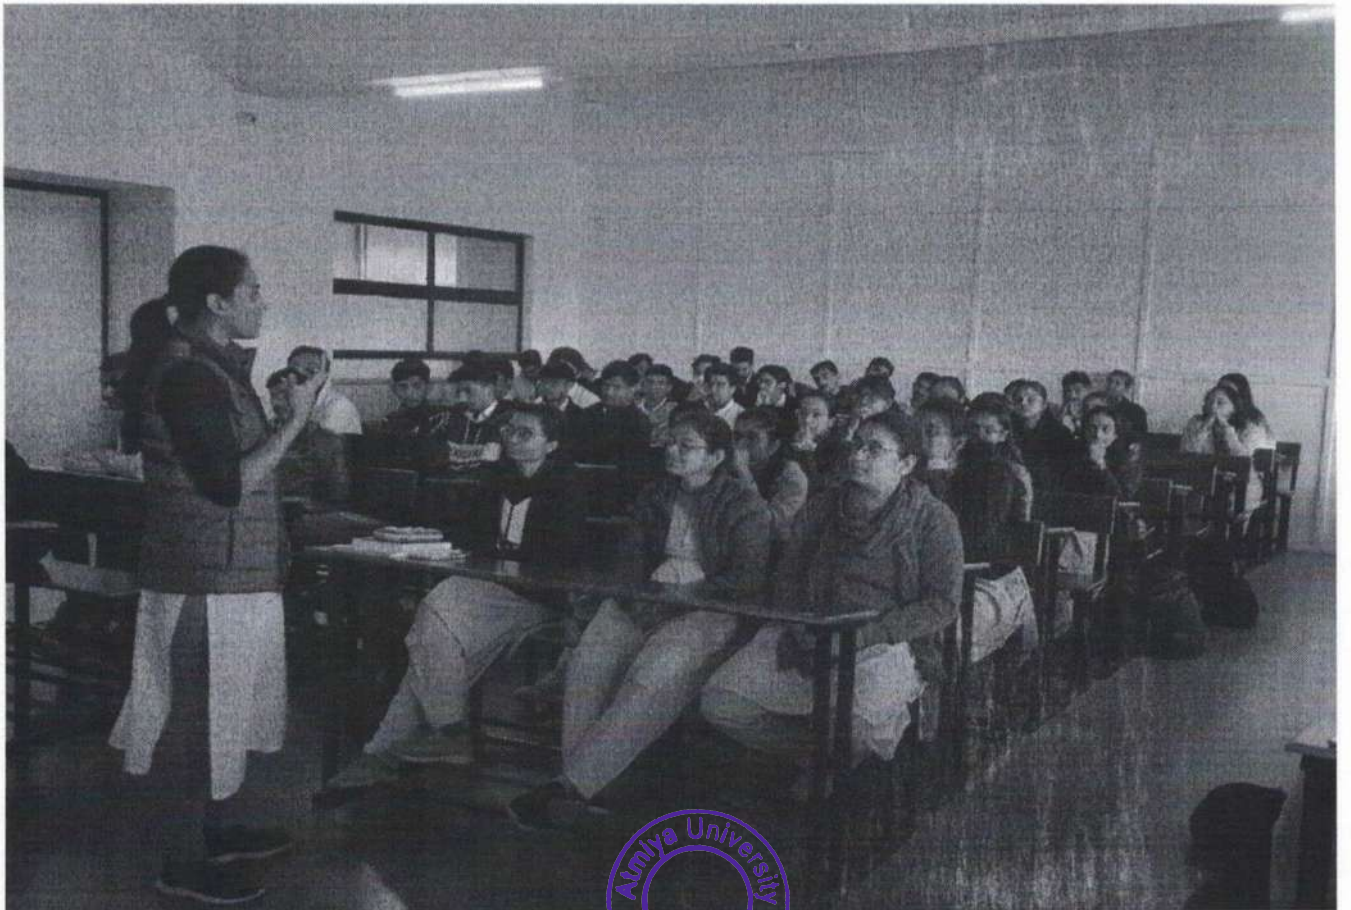

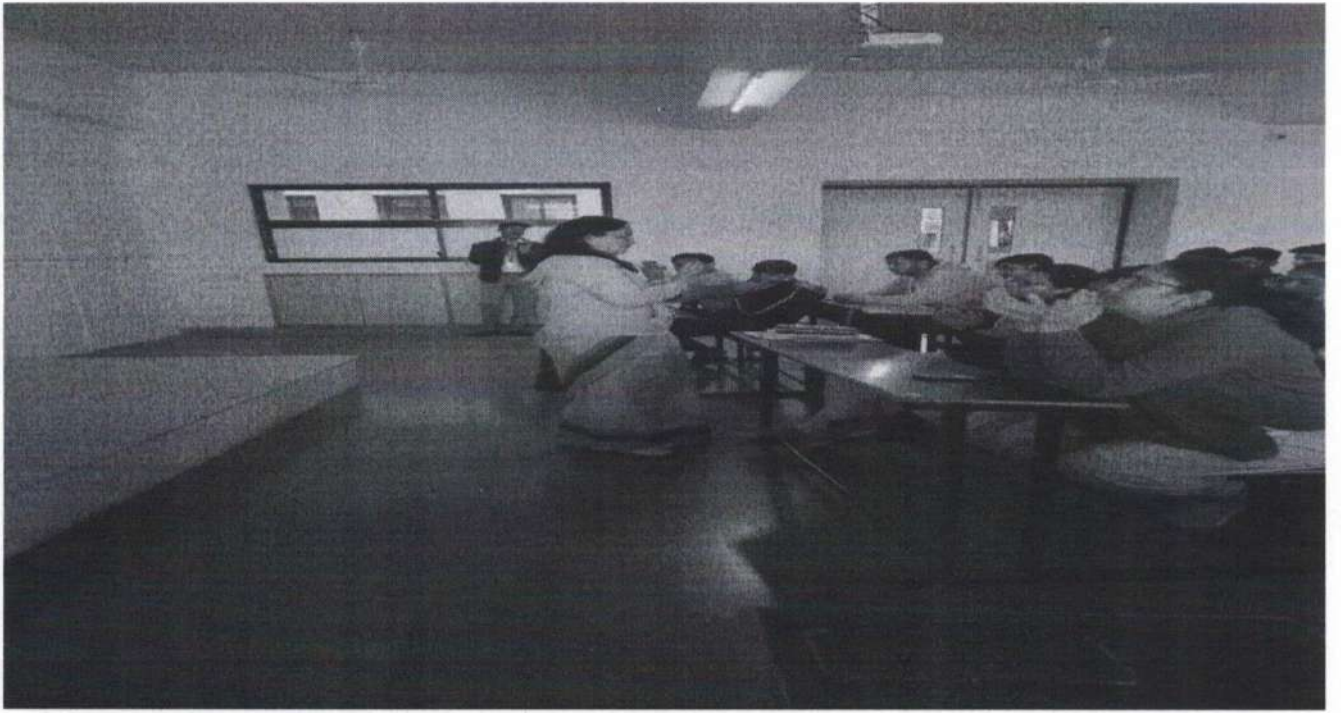

These clips were followed by a speech given by Sem-2 student on how to avoid being an ungrateful soul. Few more speeches followed delivered by Sem-4 students, sharing their personal experiences remembering the most influential teachers in their life.

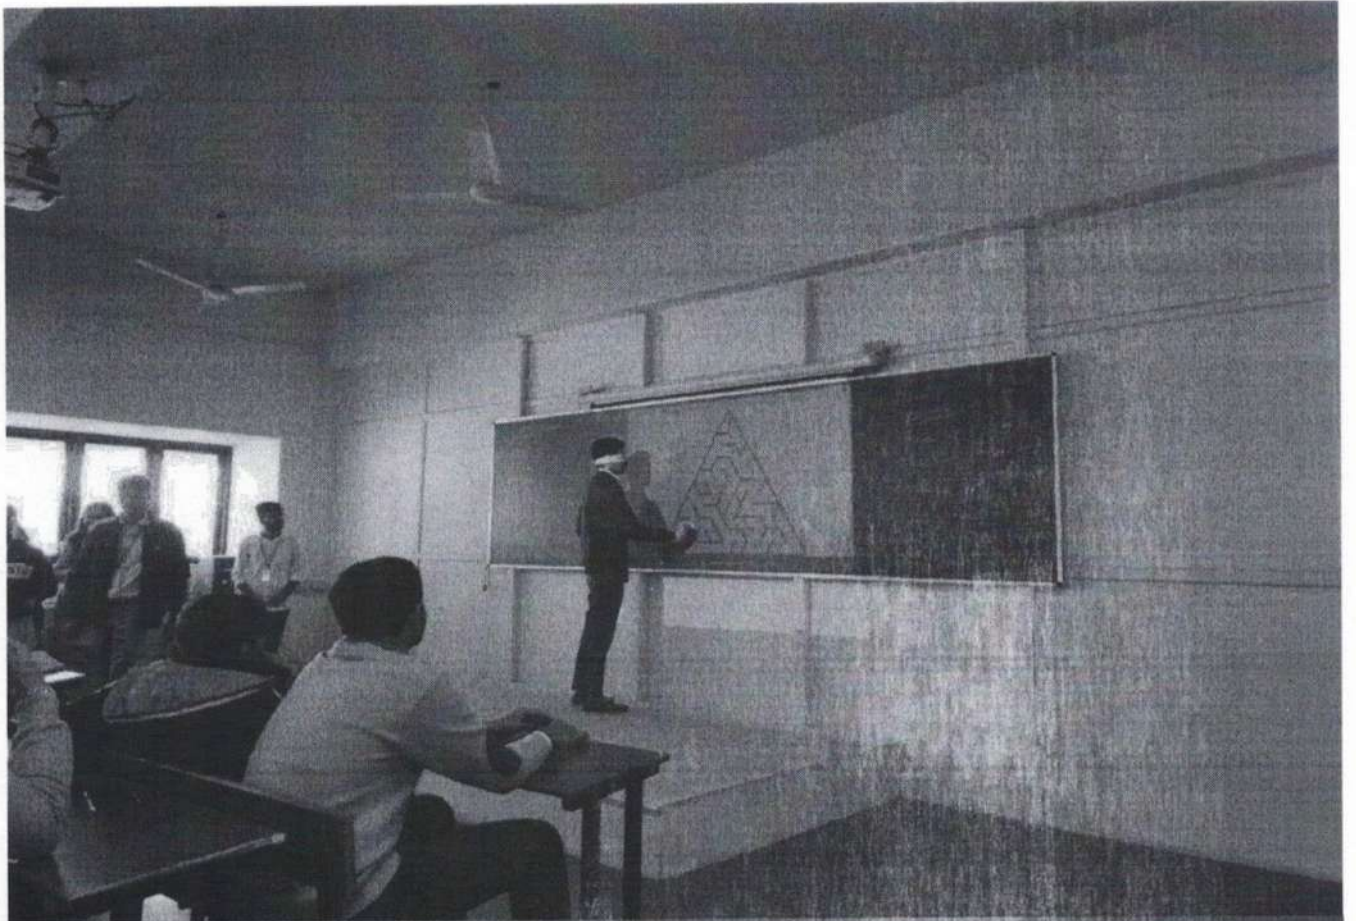

Towards the end of the orientation Sem-6 students informed their peers about the celebration of "Gratitude Day" and how the orientation was just the first step towards celebrating our teachers who have for years guided us and nurtured us selflessly. The students were motivated to approach their teachers whether from school life or their current teachers and express their gratitude towards the selfless and influential love of the teachers.

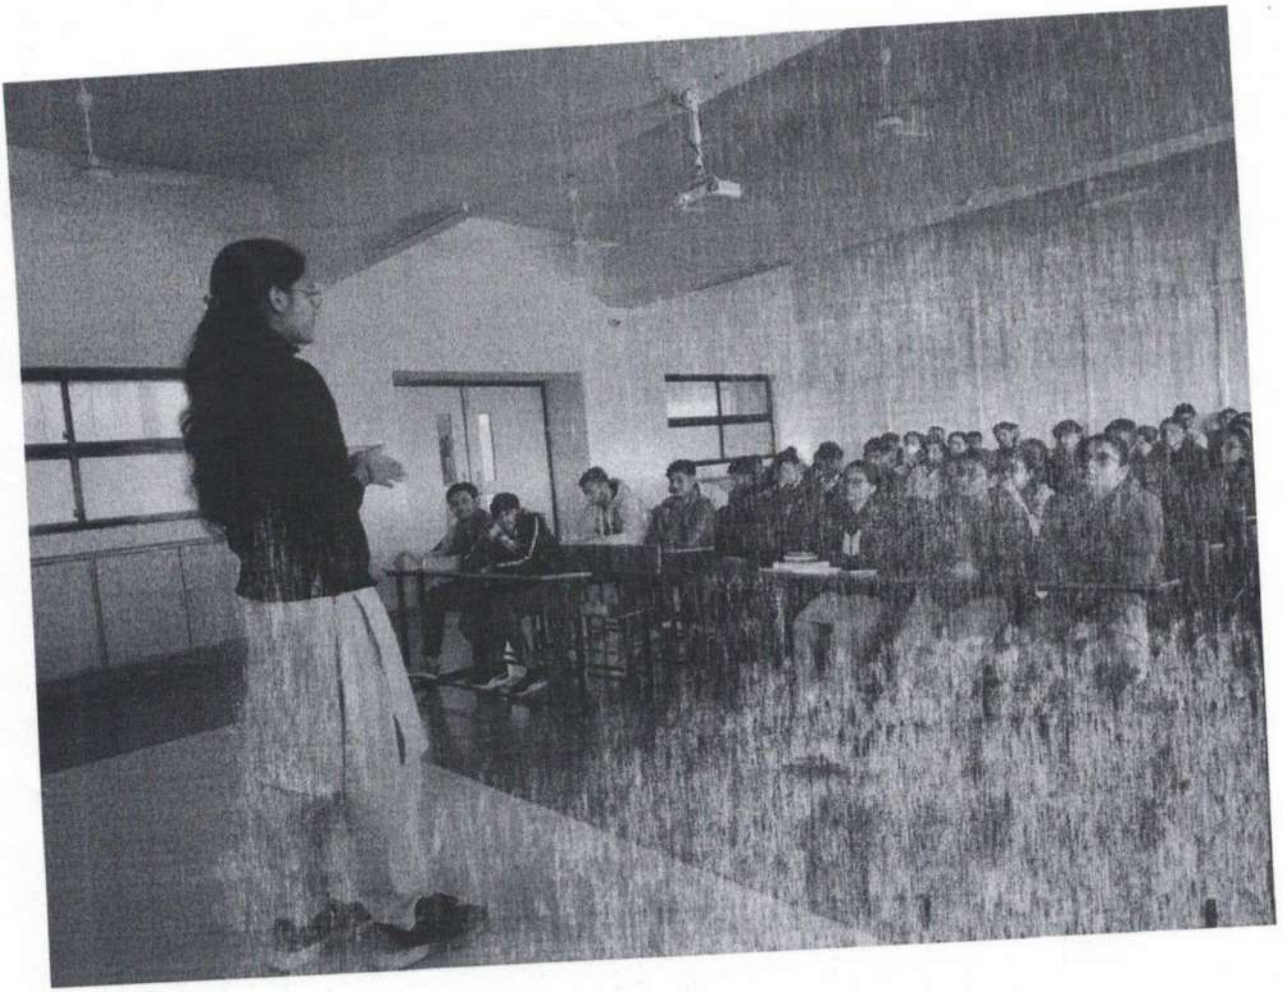

The orientation came to an end with the address of Head of the Department, Dr. Shivangi Oza Mam and Dr Srushti Dodia Mam.

The orientation was once in a lifetime experience. It provided a chance for all three batches of students to interact with one another and work on creating something beautiful and memorable. The event itself made us aware of the immense power of gratitude and gave a platform to the students to bow down to all those teachers who have shaped us, guided us and supported us day in and day out.

REPORT

On the 7th of January, 2023, a delegation comprising students and faculty members from the Department of Management Studies embarked on a spiritually enriching journey to seek inner clarity and divine connection. Their pilgrimage took them to revered sites of religious significance, including the Holy Haridhashanam Temple in Sokhada and the Poicha Temple in Poicha. The pinnacle of their spiritual voyage was their participation in the International Yuva Mahotsav organized by the Yogi Divine Society.

The primary objective of this expedition was to facilitate the purification of the mind and ignite the process of inner realization. It was an endeavor aimed at fostering concentration and establishing a profound connection with divinity. In a world often inundated with distractions and complexities, this pilgrimage offered a sanctuary for introspection and spiritual renewal.

At the Holy Haridhashanam Temple in Sokhada, the students and faculty members immersed themselves in the serene ambiance, seeking solace in the ancient rituals and sacred chants. The temple, steeped in history and tradition, served as a beacon of tranquility, guiding them towards inner serenity and enlightenment.

Following their visit to Sokhada, the delegation proceeded to the Poicha Temple, nestled amidst the picturesque landscapes of Poicha. Here, amidst the ethereal beauty of nature, they found themselves enveloped in a sense of awe and reverence. The Poicha Temple, with its architectural grandeur and spiritual ambiance, provided a sanctuary for contemplation and prayer.

However, the highlight of their spiritual odyssey was their participation in the International Yuva Mahotsav organized by the Yogi Divine Society. This grand event brought together devotees and seekers from across the globe, united in their quest for spiritual elevation and

enlightenment. The Mahotsav served as a platform for discourse, meditation, and devotional activities, fostering a sense of community and camaraderie among participants.

During the Mahotsav, the delegation had the privilege of receiving blessings from eminent spiritual leaders, including P. P. Hariprasad Swamiji, P. P. Premswaroop Swamiji, and P. P. Tyagvallabh Swamiji. These revered figures, with their wisdom and grace, imparted invaluable guidance and inspiration to all present. Their blessings served as a catalyst for inner transformation, guiding the delegation towards a deeper understanding of spirituality and self-discovery.

Overall, the pilgrimage to the Holy Haridhashanam Temple, Poicha Temple, and participation in the International Yuva Mahotsav proved to be a transformative experience for the students and faculty members of the Department of Management Studies.

It was a journey of self-reflection, spiritual awakening, and divine connection, reaffirming the timeless truth that true fulfillment lies not in material pursuits, but in the pursuit of inner peace and enlightenment.

Topic: Impact of Music on
Mental Health SDG goals
addressed are:

SDG Goal addressed	Logo
SDG 3: Good Health and Well-Being: Research on the therapeutic effects of music on mental health has revealed that it can lower stress, anxiety, and depression while also elevating mood and emotional well-being. SDG 3 aims to ensure healthy lifestyles and promote well-being for all people at all ages. By supporting music therapy, mental health support programs, and access to music-based interventions, efforts towards this target are made possible.	
SDG 4: High-quality instruction Engaging in musical activities and receiving music education fosters social skills, creativity, and cognitive development, all of which improve mental and general well-being. Supporting extracurricular activities, community music projects, and music education programs helps achieve SDG 4's objective of providing inclusive and equitable high-quality education for everyone	
SDG 5: Gender Equality: Through fostering self-expression, creativity, and empowerment, music can empower people—especially women and girls. The aim of SDG 5 is to achieve gender equality and empower all women and girls. Activities towards this objective include resolving gender imbalances in the music industry, supporting female musicians and artists, and advocating for gender-inclusive music education.	
SDG 10: Reduced Inequalities: Music has the ability to unite people, create social bonds, cross cultural differences, and advance social inclusion and cohesion. The goal of SDG 10, which is to reduce disparities within and between countries, is aided by initiatives that promote music programs in various communities, celebrate cultural variety through music, and encourage underprivileged individuals to have access to music resources.	
SDG 11: Sustainable Cities and Communities: Music is essential for fostering inclusive and dynamic communities, boosting the arts, and improving the standard of living in urban areas. The purpose of SDG 11 is to make cities and human settlements inclusive, safe, resilient, and sustainable. This is accomplished in part by sponsoring music festivals, concerts, and community music activities.

HAPPY NAVRATRI

ATMIYA Shakti Parva

Garba is a traditional dance form and a vital aspect of Gujarati culture, celebrated especially during Navratri, a nine-night Hindu festival honouring the goddess Durga. Originating from the state of Gujarat in western India, Garba involves rhythmic circular dancing performed around a central symbol, often a clay lamp (garbo) representing the goddess's presence or energy. The dance symbolizes the cyclical nature of life, creation, and devotion, reflecting Hindu beliefs about birth, death, and rebirth.

Atmiya University has organized ATMIYA Shakti Parva – Rass Garba Competition for all the female members of Atmiya University on 01/10/2022, Saturday from 05:00 pm to 07:30 pm. Location was AU Central Plaza near fountain at Amiya university campus.

Brief about Event:-

The event of Singing Competition was organized as a part of Lambodar Mahotsav 2022, on date 2nd Sept' 2022. The main objective of this event was to celebrate this divine Mahotsav as well as to make the students appreciate and understand the importance of our holy rituals and the reasons behind them. In order to fulfil above objective, the devotional songs (bhajans, kirtans etc.) was kept as a theme. Participants were less in numbers but event was celebrated with enthusiasm and devotion.

Event was started with a prayer, and followed by performances of different participants. In between the performances, many students shared some devotional stories of lord Ganesha. At last, one of the judges gave very devotional performance on the song 'Mai teriChunar...'. They also guided the participants for their further journey of music and singing. Event was concluded by vote of thanks.

Outcome of Event:-

It has provided the platform to the participant where they can showcase and learn about their singing talent. As the intention and theme both were very pure and devotional, it has also spread positivity and divinity among the participants and audience.

ABOUT THE PROGRAM

with the blessings of **H.D.H. Hariprasad Swamiji**, **P.P.Premswarupdas Swamiji** and our beloved mentor **P.P.Tyagvallabh Swamiji**, we are going to welcome Lord Ganpatiji at our campus. As per our tradition, we are going to celebrate this sacred occasion as “**LAMBODAR MAHOTSAV- 2022**” at our premises from **31/08/2022** to **09/09/2022**.

Ganesh Chaturthi, also known Ganeshotsav is a Hindu festival commemorating the birth of the Hindu god Ganesha. The festival is marked with the installation of Ganesh’s clay murtis privately in homes and publicly on elaborate pandals. Observances include chanting of Vedic hymns and Hindu texts, such as prayers and vrata. Offerings and prasada from the daily prayers that are distributed from the pandals to the community include sweets such as modaka as it is believed to be a favorite of Ganesh. The festival ends on the tenth day after start, when the idol is carried in a public procession with music and group chanting, then immersed in a nearby body of water such as a river or sea, called visarjan on the day of Anant Chaturdashi.

In order to fulfil above objective, the devotional songs (bhajans, kirtans etc.) was kept as a theme. Participants were less in numbers but event was celebrated with enthusiasm and devotion.

Event was started with a prayer, and followed by performances of different participants. In between the performances, many students shared some devotional stories of lord Ganesha. At last, one of the judges gave very devotional performance on the song 'Mai teriChunar...'. They also guided the participants for their further journey of music and singing. Event was concluded by vote of thanks.

Outcome of Event:-

It has provided the platform to the participant where they can showcase and learn about their singing talent. As the intention and theme both were very pure and devotional, it has also spread positivity and divinity among the participants and audience.
