OVERVIEW: - Celebrated annually on March 8, International Women's Day is one of the most important days of the year dedicated to celebrate women's achievements, raise awareness about women's equality, and voicing support for accelerated gender parity at all levels. As a part of our departmental celebrations to commemorate this very important day, a very special session was organised in which the students from semester 2 of BA English participated with great zeal and enthusiasm.

The students shared heart-warming stories and incidents dedicated to the special inspiring women in their lives. Everyone bonded over soulful exchange of real-life stories of inspiring trailblazer women.
