CENTRAL STEP AUDITORIUM

A two-hour programme/ workshop was organized by Women Development Cell, Atmiya University. The programme began with garlanding of Thakorji by Dr. Komal Borisagar, Chairperson WDC, ATMIYA and lamp lighting by our respected guests Dr. Radhika Javiya, Dr. Shruti Kanasagra and Women Development Cell coordinators of different institutes Dr. Komal Borisagar, AITS, Dr. Vaishali Parasania, MCA, Ms. Bhumika Zalavadia, AITSDS and Ms. Manali, MBA. Then Dr. Vaishali Parasania welcomed the Guest speaker Dr. Radhika Javiya, Gynaecologist and Ms. Bhumika Zalavadia welcomed Dr. Shruti Kansagra, MD Psychiatrists. This was followed by a session by a classical prayer dance by the girls of computer department.

Then Dr. Radhika Javiya, Gynaecologist delivered her views on details of menstruation cycle in females. She nicely explained how to resolve the common problems during menstruation period. Her session has been very well appreciated by the Girls.

There was a nice classical solo dance performance by girl of computer department on the theme of Save Girl Child. There was a nice speech delivered by MBA girl regarding what is women empowerment what is the current situation of women in the society today. It was followed by beautiful performance of Instrumental guitar playing and singing by girls of MBA.

Dr. Shruti Kansagra, MD Psychiatrists delivered her views on management of stress in routine life. She explained the basic reasons because of which we get stressed and what steps we should follow to get out of it and be relaxed.

This session was followed by session delivered by Ms. Bela Bavalia, Beautician, Bonanza Saloon, who gave very good information regarding how to prevent our routine skin and hair problems. She gave tips of routine makeover also.

The programme was ended with the two Group dance performances by AITSDS and MBA girls. The entire programme was beautifully and elegantly anchored by Ms. Purohit Mahek of computer department and Ms. Avni of MBA department. The programme was attended by all the girls students and female faculties of ATMIYA university.

Entire session was very interesting and enjoyed by students and faculties.

'Consortium-2020'

Date: 18-02-2020

Organize by:
Faculty of Business and Commerce
Department of Management

On February 18, 2020, the Faculty of Business and Commerce, Department of Management, Atmiya University, organized 'Consortium-2020', a flagship event that brought together industry experts, academics, and students to share knowledge, ideas, and experiences. The event was a unique platform for participants to engage in discussions, debates, and networking opportunities

The theme of the event was 'Innovative Strategies for Business Excellence', which focused on the latest trends and best practices in business management. The event featured a series of presentations, panel discussions, and workshops that explored topics such as digital transformation, sustainability, and innovation. The keynote speaker, a renowned industry expert, delivered a thought-provoking address on the importance of adaptability and innovation in today's rapidly changing business environment.

The event also included a panel discussion on the role of entrepreneurship in driving economic growth, which featured entrepreneurs from various industries sharing their experiences and insights. Additionally, the event hosted a workshop on 'Design Thinking' that provided participants with hands-on experience in applying design thinking principles to solve real-world problems. The event was well-attended by students from various departments, including management, commerce, and economics. The participants were actively engaged throughout the event, asking questions and sharing their thoughts and ideas.

The event concluded with a certificate distribution ceremony, recognizing the winners of the 'Business Plan Competition' and 'Case Study Presentation'. Overall, 'Consortium-2020' was a resounding success, providing a valuable learning experience for all participants and setting the stage for future events.

"Gandhi Nirvan Din " 30th January 2020; Atmiya University observed this day at the Library and Learning Centre with the participation of the students of NSS and Gandhian Study Centre. This program was organized in association with ms. Deepali Rajyaguru from 'Rang' . There was a demo of the Box charka which was invented by Madhavji from Maharashtra. Ms. Deepali along with a businessman and a lawyer who are a part of the charka group at Rajkot shared their experiences and the purpose of using charka and its benefits. The students also had hands-on experience. We were joined with a kindergarten teacher from Ladakh, Ms. Asmat who shared about Ladakh and its sustainable model with the students and her journey as a child who never wanted to go to school to start her own school with the support of the foundation "Bhoomi " from Bangalore. We thank Provost sir, Registrar sir, and Dr. G.D. Acharya for joining the event and encouraging the students. Our special thanks to Mr. Yuvraj Kanchwa sir for coordinating with the NSS and Gandhian Study Unit at Atmiya University.

About Event:

In view of Ekdanta Mahotsav 2019, Gajanana Varde event was being organized which mainly was a competition for all students of Atmiya University as well as it also included Yogidham Gurukul Schools.

Main aim of competition was to highlight and showcase the various creative and artistic skills of all students in sculpting various portraits of Lord Ganesha. The competition mainly consisted of model making of different types of Lord Ganesha idols with any material which student wishes to use.

The idols which needed to be made were completed by use of any artificial colours, clothes, food materials, etc. For selection of portraits, preference was given to type of material used and creativity employed for making the model.

3 hour competition was started by 10:00 am and ended at 01:00 pm. It was judged by three judges named as SAMRPANDIDI, Ms. SHIVANGI OZA and Mrs. CHETNABA GOHIL in two categories, one for school students and other one for college students with various prize range.

Outcomes:

Main outcome of competition was-

1. Exposure of creative and artistic skills of students.
2. Students learnt the skills to work in groups and hence how to work effectively in limited time period.
3. Students learnt the importance of having individual uniqueness in their work in coordination with different aspects needed in selection.
4. Students developed the skills to complete different tasks in allocated time very efficiently with consideration of fulfilling all criterias.
5. Students were made aware that how different models of Lord Ganesha can be evolved with different techniques and so were a medium of learning all social and religious aspects.
