Activity Report

"Water analysis Popularization Activity"

(Demonstration of basic Water Analysis)

Organised by

Department of Chemistry, Faculty of Science,
ATMIYA University, Rajkot

On: 23 March, 2023 - Thursday

For the students of
B.Sc. Chemistry - Semester-IV,
ATMIYA University, Rajkot

Activity Report

Title of Activity	Demonstrative Training on Sophisticated Instrument: Infrared Spectroscopy
Special Theme	Use of IR Spectroscopy in Analysing Biological Molecules
Activity Schedule	10:00 am to 12:30 pm on 23/03/2023
Venue	CIF Lab, 1st Floor, Science Building, Shri M. & N. Virani Science College
Resource Persons	Dr. Devendra Kaneriya, Atmiya University, Rajkot
Activity Coordinator	Dr. Devendra Kaneriya
Total No. of Participants	17 Students
Details of Participants	Students of B.Sc. Chemistry

Outcomes of the Activity:

- Students got exposure about Analytical Chemistry practical's.
- Promotional and popularization about Chemical Science(Analysis)

9. Photographs:
