Date: 8th December, 2021

Time : 9:00 am

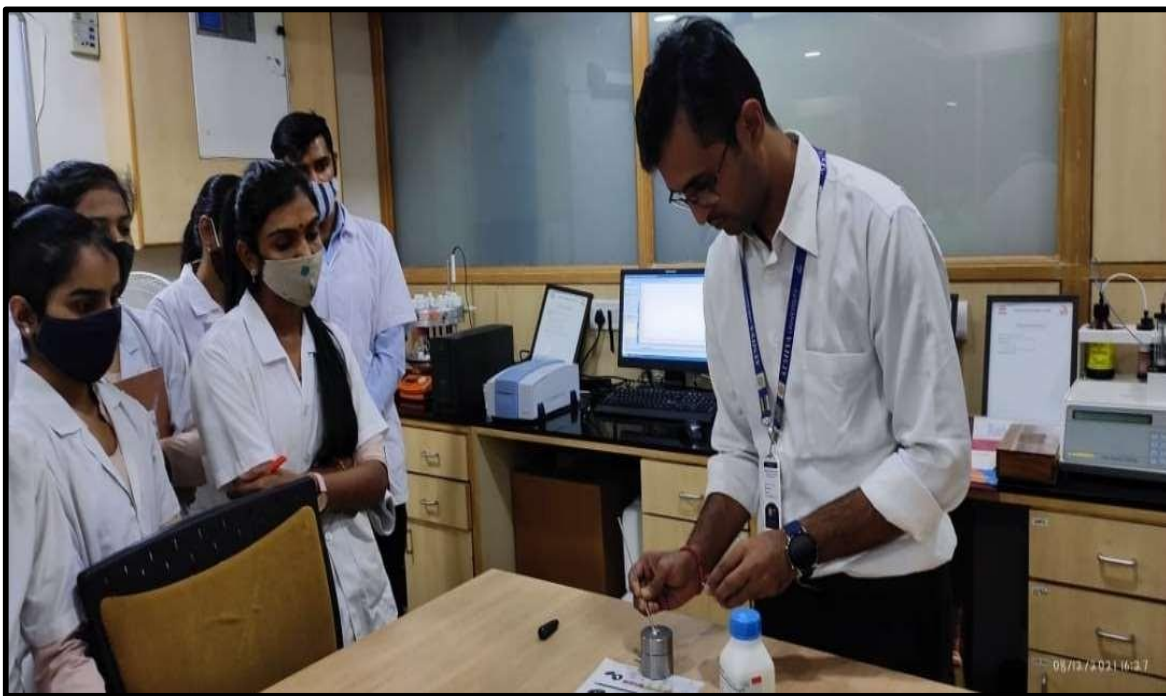

Activity Report

Title of Activity	Demonstrative Training on Sophisticated Instrument: Infrared Spectroscopy
Special Theme	Use of IR Spectroscopy in Analysing Biological Molecules
Activity Schedule	04:00 pm to 05:00 pm on 08/12/2021
Venue	CIF Lab, 1st Floor, Science Building
Resource Persons	Dr. C. M. Pandit, Atmiya University, Rajkot
Activity Coordinator	Dr. P. B. Nariya
Total No. of Participants	15 + faculties
Details of Participants	Students of M.Sc., Semester IV, Atmiya University

Outcomes of the Activity:

- Students got exposure to working applications on IR Spectroscopy.
- Students got an idea on sample handling techniques in IR Spectroscopy.
- Students learned about how to prepare KBr Pallet.
- Students learned about sample preparation in IR Spectroscopy.
- Students learned about possible functional groups and IR values.
